

## **Facilities & Amenities**

When it's your turn to plan the reunion, think of the Missoula KOA. We are here to help you make an easy job of planning all the details! We have all the amenities that will suit anyone's needs! We have Kamping Kabins that will sleep up to 6 people, tent sites, and RV sites with water, sewer, electricity, 50 amp service, & cable TV. You can arrange to use the KOA Gathering Place for your group activities for only \$25 per day when your reunion is here!

It can hold up to 60 people comfortably for whatever group activities you want. You can watch old family videos or slides, play games, etc. We also serve breakfast at the Gathering Place every morning during the summer season for our campground guests. (The Gathering Place isn't available to your group for exclusive use during the breakfast time). The KOA Gathering Place has kitchen facilities available for large groups. We have fun theme weekend activities during the summer months that your group is welcome to participate in as well.
